WHAT'S NEW · OCT 2026

Share the song you can't stop playing.

LIMINAL FM started as a weekly music drop. It's now a music-sharing app.

THE SHIFT

A weekly drop is something you wait for.

A feed of the songs your friends can't stop playing is something you open every day.

01 · HOME FEED

A feed built on what people loop.

This week’s pick

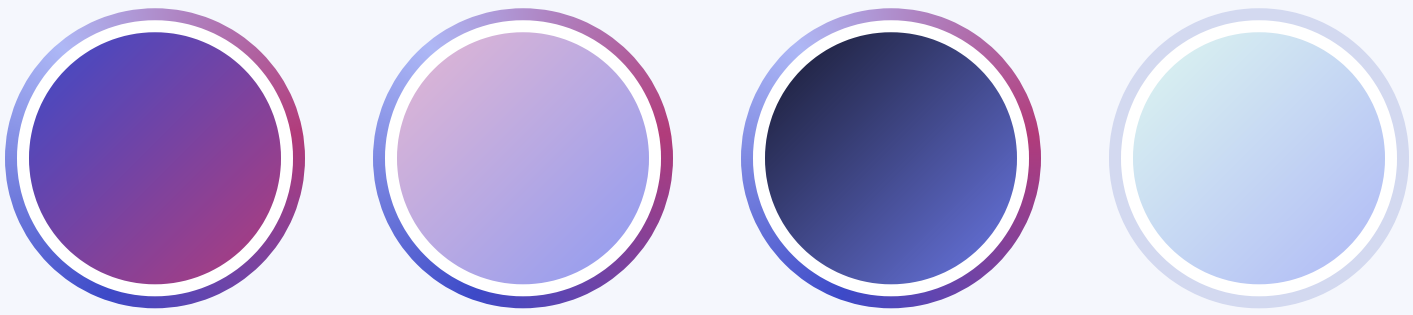

“Can’t stop. Won’t stop.”

Because it’s an artist on your profile

Every post says why it’s there

02 · SOTW STORIES

One Song of the Week. Everyone sees it.

07 · DESIGN

Tried Y2K. Came back to daylight glass.

Knowing when to walk a design back was one of the most useful lessons of the project.
